## Busy time again...

We are in that time of year where everything seems to be happening at once. Lots of High School football games going on, basketball about to start, and chorale and band practice, competition, etc. Thanks to all of you who make time to continue to participate in DeMolay. It will make a difference in your futures... just ask the new Grand Master of Oklahoma!

Siloam Chapter had their installation and dance last month. The State Officers did the honors of serving as the installing team and did a bang-up job. The dance was a big success also.

Creek District hosted a camping trip to Talemina Trail in the Southeastern part of the state. As opposed to the float trip where you camp out in a pool of sweat (!), this trip was in the nice, cool mountains of Oklahoma (yes guys, there are mountains in the state...). The trip featured a four mile hike and a few sore feet, but a good time overall. No bears were harmed during the process of this camping trip ☺ .

November is also a busy month. We started with two Frank S. Land events, one in Claremore and the other in OKC. Creek District hosted a day of celebration with ritual qualification, a district meeting and a dance. Siloam chapter hosted a Halo tournament and a lock in for members and prospects (keep em' there til they sign that petition!!!!). That weekend was followed on Monday by th Siloam honor team participating in the Grand Master's installation ceremony. They represented us well.

Interesting to note that the new Grand Masters' apron features the DeMolay crest!

## A Message from the Deputy State Master Councilor

Greetings from your State Deputy Master Councilor,

As many of you know, one of my tasks is to take charge of our membership programs for the year in order to better our great order, so I would like to take a few moments to discuss just that. I feel compelled to reinforce our 300 membership plan after a recent visit to our brothers to the North in the jurisdiction of Missouri. They are currently ranked #1 in membership for the year, while we are in the latter part of the top 10, and we are trailing by over 100 members. Although this seems to be a hefty lagging, I believe that with hard work, a love for DeMolay, and the determination of the "Oklahoma boys" to be the best, we can upset Missouri. With little time left we must act now, it is time to restore Oklahoma's former glory and once again be considered a power house in DeMolay. I strongly encourage everyone to strive for this goal; it is within our power to achieve it. I wish you all a happy and blessed Thanksgiving.
